Assistant Director for Operations

February 21, 1947

Chief, FBIB

**FBIB PROGRESS REPORT FOR MONTH OF FEBRUARY 1947**

1. The following developments represent significant progress made by FBIB during the month of February, 1947:

a. Classification survey conducted by the Classification and Salary Administration Division, Office of Personnel and Administration, was started on February 12.

b. Liaison with Director of Intelligence, War Department, has improved considerably. The FBIB liaison officer is now able to interview the Chiefs of Branches within the War Department Intelligence Division and to determine more accurately the needs of their particular Branches.

c. Arrangements have been made at the request of ORR to extend "A" Wire service to that Office.

d. Projects Review Committee has approved the transfer of the [ ]

25X1A

e. Reconnaissance for a suitable site to which the [ ] Mission may be transferred is being conducted. [ ] has been selected as a suitable site and recommendations to this effect have been submitted to the Office of Operations.

25X1A

f. New monitoring coverage is being obtained of Moscow in Mandarin

25X1A

g. Conferences with G-2, Seoul, Korea by the Chief of the FBIB Pacific Mission have resulted in an agreement to relieve G-2, Korea, of monitoring Korean-language broadcasts from North Korea and Moscow (via Siberian relays) by FBIB coverage in [ ]. Pending the transfer to [ ] of an FBIB Korean monitor from [ ], G-2, Korea will furnish FBIB with its Korean summaries.

i. Arrangements have been completed to publish and distribute FBIR Daily Reports in two sections effective February 21, 1947. The "unclassified" section will contain radio intercepts other than private transmissions. The "restricted" section will contain all interception of private transmissions, and its distribution will be limited to approved Government Agencies for official use only.

25X1A

j. [ ] has been furnished data on the variety and extent of FBIR monitoring coverage of the Far East, Latin America, and Near East in an informal exchange preliminary to reciprocity negotiations, and has expressed appreciation.

k. FBIR, London has arranged to furnish General Clark and Ambassador Murphy with special topical reports.

l. In the Special Services Section of the Editorial Division the following major changes have been made:

(1) Distribution list has been rearranged to show sub-division breakdown within each agency receiving FBIR publications.

(2) A separate list of clients to receive the "restricted" section of FBIR Daily Report has been prepared.

(3) Books, documents, maps, etc. for use as reference material in the Special Service Section have been catalogued and filed for immediate reference.

(4) Surplus material not used in the publication of Daily Reports is being filed by geographical areas as well as subject matter, thus facilitating research for special reports.

(5) A new cataloguing system to cover complete broadcasts monitored by all FBIR stations has been initiated.

m. The workload of the Service Division has increased considerably, primarily as follows:

(1) Distribution of Daily Report has increased from 961 copies to 1308 copies (an increase of 344 copies daily). In addition, distribution of the Daily Summary has reached 400 copies.

(2) Approximately 900 envelopes are now dispatched daily by mail or special courier.
